Publicity Release

Throughout the school year, CCA will conduct activities that may be publicized through local or national news media.

I grant permission for Community Christian Academy to use or publicly display me/my child's photograph, video, audio clip, name, age, grade, school, and school activities or achievements on the school website(s), individual school web pages, or social media (such as Facebook, Twitter, Instagram, or similar) or in other publications without further notice for any purpose deemed acceptable to CCA. I acknowledge CCA's right to crop, edit, or change the photograph, video, or audio clip of me/my child at its discretion. I also agree that my child/I will participate in any publicity activities for events sponsored by CCA. Such activities include but are not limited to: interview sessions with third party newspapers, photographs for third party newspapers, or various publications; including newsletter, calendars, and brochures; videotaping for local and national television newscasts, cable programming, and promotional videos. I understand that although CCA makes efforts to only engage students in positive media activities, CCA has no control over how third party media uses information from me/my child. This permission is effective while I/my child attends CCA or until I give further notice in writing.

As a parent/guardian, I have read and acknowledge the Publicity Release section and by signing I give my permission.

Dear Parents or Guardians:

On July 30, 2020, Community Christian Academy adopted a 100% tobacco free school policy. This policy prohibits all tobacco use – including all types of electronic cigarettes – by everyone, everywhere on campus, at all times – including school events after regular school hours. This policy also prohibits students from bringing tobacco products on campus. A copy of the new policy is attached.

The School Board adopted this policy for three reasons:

- **Support families to keep their children off tobacco**
  Tobacco use is the single leading cause of preventable death and disease in our state and nation. More than 80 percent of adults who are addicted to tobacco began before the age of 18. In fact, the average age young people start using tobacco is between 12 and 14 years old. You are probably aware of the explosion of electronic cigarette use in our state and nation. National data shows that more than one-quarter of U.S. high school students have used an electronic cigarette – considered a tobacco product under state and federal law – in the last 30 days. Youth spend a great deal of their time at school and school-related events. Allowing the use of tobacco products, including e-cigarettes, on campus implies school approval of such use. Keeping tobacco off campus means students have less opportunity to see their friends and teachers using tobacco, and less access to tobacco products. This means they will be less likely to try – and possibly become addicted – to nicotine, which is known to harm the developing brain and can cause learning problems.
- **Provide a safe environment for students and staff**
  We have an obligation to provide a safe learning and work environment for students and staff. Exposure to secondhand smoke or e-cigarette aerosol can trigger an asthma attack or worsen respiratory problems. Clusters of employees and visitors smoking and vaping outside near building entrances, or at school sponsored events, place others at risk. This does not meet the standard of a safe environment.
- **A cleaner campus**
  Discarded smoking and vaping materials litter school grounds, parking lots, vehicles, and stadiums. Cleaning or replacing items damaged by smoke or discarded smoking materials is costly. Banning tobacco from campus will mean a cleaner environment for students, staff and school visitors.

Over the next few months, we will be placing signs promoting the new policy on all school campuses, and making announcements at school sponsored events. We will also let you know of upcoming tobacco education and cessation classes or other programs for students who use tobacco or vape and want to stop. If you have questions or comments about the policy, or want more information on these programs or services, please call the principal at your child's school.

Thank you for your support.

Sincerely,

David Ross, Principal

COVID-19 WAIVER

Due to the COVID-19 pandemic, Community Christian Academy has been exploring different and reasonable ways to provide services to all students. CCA has worked with the state and local agencies, including our local health department to draft and implement guidelines moving forward regarding cleaning, screening, social distancing, etc. Though CCA and its agents will work hard to implement and abide by those guidelines, neither the guidelines themselves nor guidance from the Centers for Disease Control and Prevention (CDC) would allow Community Christian Academy to guarantee an environment that is entirely free of COVID-19 related risks. By allowing your child to return to campus, you acknowledge and understand that your child's attendance will require him/her to interact physically with the CCA staff members, other students, and volunteers. As such, despite reasonable mitigation efforts on behalf of CCA, physical interaction with the public at large may pose some unavoidable risks to you, your child, and your family due to the COVID-19 pandemic. With that, you further acknowledge and agree to the following:

1. Waiver and Release: You hereby release and forever discharge and hold harmless CCA and its agents (any employee, student, volunteer, client, agent, owner, shareholder, board member, or any other representative of CCA) from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from your child's return to campus and/or participation in activities associated with CCA. You understand that this release discharges CCA from any liability or claim that you may have against CCA with respect to COVID-19.
2. Assumption of Risk: You further understand that your child's return and/or participation may expose him/her and others to unavoidable COVID-19 community spread. As such, you hereby expressly and specifically assume the risk of injury or other harm, and also expressly release CCA and its agents (any employee, student, volunteer, client, agent, owner, shareholder, board member, or any other representative of CCA) from any and all liability for injury, illness, or other issue resulting from or in any way related to your child's return or participation.

By executing below, you acknowledge having read and understand all the above terms and conditions.
